Curious about the world's top 10 most subscribed YouTube channels? Let's discover them and learn about their incredible journeys to popularity

ince its launch in 2005, YouTube has been the go-to platform for entertainment. Whether you're in the mood for funny moments, news updates, or educational content, YouTube has it all. Regarding capturing viewers' interest, some YouTube channels have stood out and secured a spot in the world's top 10 most subscribed YouTube channels.

In this article, we find out all about these most subscribed channels on YouTube.

Often, coming up with YouTube video ideas is about **solving problems and dealing with pain points.**

So I always keep that in mind when I'm researching topics.

I keep in mind how my videos can help my audience learn how to do something better, or solve an issue they might be experiencing.

Have you ever wondered which YouTube channel holds the title of being the most followed in the world? Well, the answer might surprise you.

Believe it or not, the most followed YouTube channel hails from India. With its captivating Bollywood songs and snippets, T-Series claims the top spot among the top 10 YouTube channels with the most subscribers (as of **September 04, 2023**)

T-Series stands first among the world's top 10 most subscribed YouTube channels. This Indian record label and film production powerhouse has enchanted audiences worldwide with captivating Bollywood soundtracks and mesmerising Indian pop music.

In this short article, I'll share 5 of the best video channels about psychology with a few other notable mentions and a selection guide.

If you like psychology, you MUST follow these psychology channels on youtube. I would personally vouch for them (not endorsed, oh how I wish, sigh). They are all engaging, fun, and informative. Each of these channels has creators who put a crazy amount of effort into making quality content.

The positively odd thing about Bite Size Psych is that the channel feels familiar even if it isn't. If you have been watching explanation videos, this channel is the perfect blend of ease of communication and rigor
